To Bealman, Vicki <Vicki.Bealman@devry.edu>

Unity Technologies is pleased to acknowledge Vicki Bealman for completing the Unity Professional Development Course:

This learner has committed 3 weeks and approximately 7 hours and 15 minutes of instruction to successfully gain foundational knowledge of Unity game development.

They have:

1. Planned a course for teaching Unity game development
2. Gained best practices for delivering Unity curriculum in an educational setting
3. Developed a 3D interactive gallery project

This accomplishment equips them to teach Unity development and deliver instruction to achieve their course's unique learning outcomes.

We celebrate this milestone and look forward to their continued success.

Date Completed: August 10, 2025
